**THE ANIMAL CLINIC**

Whether you are a new or an existing client, we would like to thank you for choosing **THE ANIMAL CLINIC**.

Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – the **VIP HEALTHCARE PLAN**.

## PREVENTION IS BETTER THAN CURE!

Our **VIP** healthcare plan provides pet owners with the support they need to help their pets stay fit and healthy, whilst providing a budgeting option.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments. In addition, an overall clinical examination gives us the opportunity to carefully monitor the general health of your pet and offer advice, support and treatment planning, which in many cases may prevent problems arising in the future.

Furthermore, the cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

The **VIP** plan is not an insurance policy and we strongly encourage you to select an insurance policy that offers your pet and your budget. Please ask our team about the types of policies available.
